TECHNO 4

FOUR ENGINEERING SECTORS. ONE EXHIBITION.

CODISSIA Trade Fair Complex, Hall-E, **COIMBATORE**, INDIA
8th -10th June 2012,

Foundry

Motors &
Rotating Machines

Medium/Light
Engineering

Ancillary for
Pumps & Valves

International Association Support:

- **China Foundry Suppliers' Union**- organisers of **Global Foundry Sourcing Conference**

Indian Association Support:

- **Rajkot Engineering Association**
- **Indian Welding Society**
- **Tamil Nadu Pump & Spares Manufacturers' Association**

Co-organiser

Organised by

Orbitz
Exhibitions Pvt. Ltd.

This exhibition encompassing four varied sectors of engineering industry guarantees to deliver success by creating incredible business opportunities not only in one's own domain but in various related specialities interspersed among the other sectors.

Focuses on Four Major Industries of

TECHNO 4

- Foundry
- Medium & Light Engineering
- Motors & Rotating Machines
- Ancillary Equipments For Pumps & Valves

The exhibition will present the right amalgamation of latest innovations and innumerable business opportunities. Coimbatore being a hub for Engineering Sector in India, is certainly an ideal venue for the 2nd edition of the event.

THE CITY THE VENUE

Coimbatore being the 2nd largest city in Tamil Nadu and the fastest growing city with excellent business infrastructure, pleasant weather, international airport, efficient telecommunication links with multi - lingual advantage, Coimbatore is well positioned as a ideal destination for conventions and exhibitions. The engineering hub, surrounded by other engineering belts such as Trichy, Madurai and Chennai.

In addition to the above, **CODISSIA** Trade Fair Complex is one of the largest modern exhibition center conveniently located from the airport, railway station & central bus station. The 100,000 sqm area complex has been designed to provide an ideal setting for International & National Trade Events, Conventions, Seminars etc. The venue is equipped with facilities of International standards like Convention Hall, Food Court (South Indian, North Indian, International cuisine) Vehicle Parking etc.

SIEMA AND ORBITZ

Orbitz Exhibitions with their ample expertise in promoting & organizing exhibitions and SIEMA (Southern India Engineering Manufacturers' Association) with their immense technological stronghold are all set to revolutionize the engineering industry for the second time. SIEMA was founded in the year 1952 with a sole aim of representing and protecting the interests of Micro, Small, Medium & Large Scale Engineering Industries of Southern Region of the country. Significant achievements of SIEMA include the awareness created among its members regarding producing Quality Products and Innovation. SIEMA holds leadership in several Quality Certifications among its members numbering over 300 which is the largest at any single location in India. SIEMA is also involved in educating its members on conservation of energy along with the Bureau of Energy Efficiency, Ministry of Power, Government of India.

EXHIBITOR PROFILE

FOUNDRY

- Molding Equipments / Machines
- Sand Plant Machines
- Steel & Iron Casting
- Melting Furnace
- Raw Materials / Consumables
- Materials handling
- Fetting Equipments
- Non-Ferrous Casting
- Patterns Die & Moulds
- Core Making Machines

MEDIUM & LIGHT ENGINEERING

- Sub-contracting
- Automation Parts Manufacturing
- Machinery & Equipment Makers
- Forging
- Electrical / Electronic Equipment Manufacturers
- Equipments Parts Manufacturing
- Pneumatics
- Metal Goods / Office Equipments
- Earthmoving Equipment Manufacturers
- Gear Cutting
- Component Cleaning / Surface Treatment
- Electrical / Electronics Assembly
- Engineering Support Services
- Metal Parts Manufacturing / Press Components
- Tool Making
- Plastic & Rubber Components
- Precision Casting / Investment Casting
- Rebuilding and Retrofitting
- Conventional Machining
- Special Purpose Machines
- Press Shop components
- Hydraulics
- Gravity and Pressure Die-casting
- Aluminum Components
- CNC Wire Cutting Machineries,
- Auxiliary: Tools, Coating, Flux, Cutting Emulsions, Consumables
- Machine Tool Manufacturers

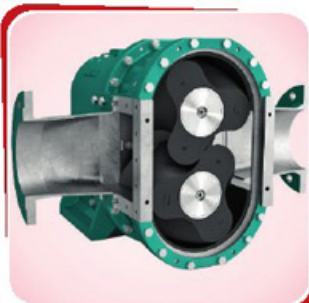

MOTORS AND ROTATING MACHINES

- Motor Manufacturers
- Wind Turbines
- Residential Wind Turbines
- Turbine Structures
- Sensors
- Controls & Drive
- Semiconductors
- Passive Components
- Bearing & Bushes
- Fabrication
- Relays, Switches and Interconnection Technology
- Insulated Wire and Cables
- Power Supplies
- Assemblies and Sub-assemblies
- Displays
- Industrial Automation Switches
- Control Boxes
- Switch Gears/Control Panels
- Welding Equipments
- Measuring & Testing Technology
- RF Actuators
- Security and Industrial Safety Equipment
- Industrial Electronic Components
- Panel Board
- Switches for Electrical Application
- Engines and Prime Movers
- Transverse Flux Machines
- Gaskets
- Lightning Equipment, Luminaries Decorative & Industrial Fixtures
- Switched Reluctance Machines
- DC Machines
- Piezo Actuator
- Synchronous Machines
- Induction Machines
- Piezo Motors
- Generators (AC / DC)
- Magnetic Actuator
- Extruded Aluminum Castings
- Tool Making for Plastics
- Special Purpose Machines
- Tool and Die Making for metal fabrications
- Pressure Components
- Gravity and Pressure Die Cast components
- Capital Goods
- Insulated Conductors, Wires & Cables

PUMPS AND ANCILLARY EQUIPMENTS

- Manufactures of Liquid Transfer Industrial Pumps
- Submersible Bore Hole Pumps
- Surface Pumps
- Submersible Sump Pumps
- Sewage Pumps
- Compressor Pumps
- High Pressure Pumps
- Pump Component Manufacturers / Suppliers
- Vacuum Pumps
- Testing & Research Institutes
- Drip / Sprinkler Suppliers
- Pumps for Leisure (Pool / Spa etc)
- Drives (VFD)
- Couplings
- Pump Controllers / Panel Boards
- Mechanical Seals
- Injectable Sealants
- Pipes / Fittings
- Software Solution Providers for Pumps & Controls
- Liquid Transfer Solution Providers
- Water Treatment & Filtration
- Softness / Chemicals
- Reverse Osmosis Plants & Components
- Tanks (Pressure & Treatment)
- Fire Fighting Systems
- Flow Technology Products & components
- Pressure Booster Pumps
- Vertical inline Pumps
- Solar Systems and Components
- Domestic / Residential Pumps
- Bearings / Bushes / Gaskets / Assemblies
- Design software such as Auto CAD, ERP, ProE

VISITOR PROFILE

Senior Executives, Managers, Purchase Managers, Safety Managers and Engineers, Research & Development Departments, Research & Technical Institutes, Operations heads, Decision Makers, CEO's, Dealers, Distributors, Advisors and Policy Makers, Technocrats, Government, Consultants, Professionals, High level Officials- Including State Ministers, PSUs such as SAIL Certifying Agencies like BIS, BEE, UL, TUV, Trade Publications and decision makers in following industries

- Metal Working Industry.
- Automobile Industry.
- Software Solutions.
- Textile Machinery Industry.
- Foundry Equipment.
- Manufacturers of all Engineer Industry.
- All infrastructure industries.
- Project Finance Companies.
- Instrumentation and Process Control.
- Transportation Distribution and Collection.
- System Integrators.
- Power Utilities, Energy Depts.
- Motor manufacturers, Metal Parts Manufacturing / Press.
- Components Tool Making.
- Plastic & Rubber Components.
- Precision Casting / Investment Casting.
- Rebuilding and Retrofitting.
- Conventional Machining Special Purpose Machines.
- Press Shop components.
- Hydraulics.
- Gravity and Pressure.
- Die-casting Aluminum Components.
- CNC Wire Cutting Machineries, Auxiliary: Tools, Coating, Flux, Cutting Emulsions, Consumables.
- Machine Tool Manufacturer.
- Petrochemicals.
- Pharmaceuticals.
- Mining Plantations.
- Estates Dyes & Dyestuffs Diaries.
- Beverages.
- Mineral Water.
- Fertilizer.
- Textile Process Industry.
- Paints & Varnishes Consulting Firms.
- Thermal / Nuclear.
- Hydro Power Plants.
- Oil Exploration.
- Builders / Promoters of Pumps, Humidification, Air Conditioning.
- Sugar.
- Paper.
- Cement Industry.
- Pollution Control Water Boards / PWO.
- Irrigation Hospitality Industry (Hotels / Resorts).
- Agriculture, Horticulture / Floriculture.

Frankly Speaking

“Techno 4, 2010 was a good experience in terms of impact on growth and the knowledge gained. Also it was organized in a very impressive manner. The food arrangement was good too. The organizers were sensitive to our needs. We would like to exhibit once again at the next Techno 4.”

Raj Anand,
Ennore Coke Ltd

“Techno 4 has given us good exposure and we were particularly impressed by the good end user response to our new product promotion. The organizers have done a splendid job and it would be a pleasure to participate at its hosting and probably introduce other product lines.”

Rohit Chauhan,
Salzer Magnet Wires Ltd

“Techno 4 was what I would call a well organized exhibition. It made sense to host it at Coimbatore. I was impressed with the good visitor turnout and their focused nature. It was a good experience for my company and we feel there's sound reason to be at the next Techno 4.”

Rampal Kashyap,
Oswal Pumps Ltd

“At Techno 4 we recorded an appreciable turnout and it resulted in good interaction with our target audience, especially pump manufacturers. The facilities provided were quite satisfactory and we are definitely going to exhibit at the next edition of Techno 4.”

Rishi Varghese,
Demag Cranes & Components India

“It was an excellent platform to explore new opportunities and we got a good response vis-a-vis the number and composition of visitors. The organizers have done a good job as far as arrangements were concerned. We certainly look forward to participating at its next hosting and be a sponsor. I suggest organizers should avoid summers for subsequent hostings of Techno 4.”

R. P. Sharma,
Polywin Industries
